

Dr. P. INDULEKHA

**Assistant Professor,
PG Dept. of Botany**

**28, 'Sreepadam', Nethaji Nagar,
Kottuli. P.O. Calicut -673016**

email : indu.lekha8@gmail.com

Phone : 0495 2357983, 9656540211

Date of Joining :

Teaching experience : 12 years.

Research Experience : Tissue culture and protoplast culture in Plantation crops, Spices and Medicinal plants

Educational Qualifications

M.Sc. BOTANY,

Ph.D.in Biotechnology with UGC JRF/LS NET

LIST OF PAPERS:

1. **INDULEKHA.P. AND IYER,R.D.**1993. Direct somatic embryogenesis, maturation and plant regeneration from *Theobroma cacao* L.. cotyledons presented at National Symposium on Biotechnology and Genetic Engineering, Tamil Nadu Agricultural University, Coimbatore, 29-31 Dec. 1993
2. **INDULEKHA.P. AND IYER,R.D.** 1995. Tissue culture responses of *Theobroma cacao* L. presented at All India Symposium on Recent advances in Biotechnological applications of plant tissue and Cell

culture, Central Food Technological Research Institute, Mysore, July 22-24 1995.

ORIENTATION/REFRESHER COURSES ATTENDED:

1. Attended an orientation course from 21.11.2007 to 18.12.2007 at University of Calicut.
2. Attended a refresher course from 27.01.2011 to 16.02,2011 in environmental science.
3. Attended a refresher course in biotechnology at University of Calicut from 30.07.15 to 19.08.15

MEMBERSHIPS/ ACTIVITIES

1. Life Member, Indian Society for Plantation Crops, Central plantation Crops Research Institute (ICAR), Kasaragod
2. Member, Nature club, **ILA** at The Zamorin's Guruvayurappan College, Kozhikode under the World Wildlife Fund for India.
3. Member, CCSS committee, The Zamorin's Guruvayurappan College
4. Member, Zamorin's Centre for Interdisciplinary Research, The Zamorin's Guruvayurappan College.
5. Convenor, Career Guidance Cell, The Zamorins Guruvayurappan College.
6. Member, Women's Development Cell, The Zamorins Guruvayurappan College.
